

**PROPERTY TAX APPEAL BOARD'S DECISION**

APPELLANT: 232 E. Walton Rd.  
DOCKET NO.: 05-25136.001-R-3  
PARCEL NO.: 17-03-208-015-0000  
TOWNSHIP: North Chicago

The parties of record before the Property Tax Appeal Board are 232 E. Walton Rd., the appellant, by attorney Edward M. Burke of Klafter & Burke, in Chicago, and the Cook County Board of Review.

The subject property is improved with an eleven-story, co-op building containing 84,604 square feet of building area. The building was constructed in 1920 and is located on a 14,588 square foot site.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$13,000,000 as of January 1, 2003. The appellant submitted the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$2,250,000, which reflects a market value of approximately \$23,029,683 using the 2005 Cook County three-year median level of assessments for class 2 property of 9.77%. The appellant also disclosed the subject property was the subject of an appeal before the Property Tax Appeal Board the prior year under Docket No. 04-27006.001-R-3. In that appeal, the Property Tax Appeal Board issued a decision based upon an agreement of the parties to the appeal reducing the assessment to \$2,175,000. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the subject's appraised value.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

|        |    |           |
|--------|----|-----------|
| LAND:  | \$ | 350,544   |
| IMPR.: | \$ | 919,556   |
| TOTAL: | \$ | 1,270,100 |

Subject only to the State multiplier as applicable.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted an appraisal estimating the subject property had a market value of \$13,000,000 as of January 1, 2003. The subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. The Board thus finds the subject had a market value of \$13,000,000 as of January 1, 2005. Since market value has been established, the 2005 Cook County three-year median level of assessments for class 2 property of 9.77% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
